It is summer sale time and you ought to grab as many of these bottles as you can!

2012 Tesco Finest, Domaines de Sours Rosé, Bordeaux, France (£7.99, reduced to £5.99, from 4 September until 1 October. Tesco). Brilliant, feather-light and stunningly hued, this is a gorgeous, red cherry-scented rosé made predominantly with the juicy merlot grape. Light enough to drink as an aperitif, but with enough depth to tackle cold cuts, juicy prawns and soft cheeses.
