2014 Château de Sours Rosé, Bordeaux, France

This "simply stunning" rosé was recommended by Matthew Jukes writing in the *Daily Mail*.  
He said: "This pre-Budget offer, which carves around £3 off a bottle, is only available until the big day on Wednesday. If the Chancellor doesn't cut the duty on wine the UK wine trade will be furious. It's not too late to register your support for our campaign – see [www.droptheduty.co.uk](http://www.droptheduty.co.uk).  
Either way, I cannot urge you enough to do your summer rosé shopping today!"

Price: £8.94, until 18 March, [www.privatecellar.co.uk](http://www.privatecellar.co.uk)
